

Our Vision

To inspire a love of learning

St Gilbert's Church of England Primary School

Foundry Road Stamford Lincolnshire PE9 2PP

Monday 29th June 2020

Dear Parents and Carers,

I am writing with an update regarding the weeks commencing the 6th and 13th July 2020 respectively, in order that you remain fully informed of changes taking place.

Change 1

During the week of 6th July, we are inviting pupils in Years 2-5 not currently in school, to spend half a day within the school environment ahead of the school summer holidays. As a staff, we feel it is important that they are able to see staff in school, spend time with their friends and be able to bring the year to a close within the school environment. This will not affect any children in school currently as they will be gathering in a marquee on the school field. The only transitory contact they will have, will be should they visit the toilets and meet another child on the way.

Change 2

During the week of the 13th July, Year 6 pupils are being welcomed into school and all pupils who are **not** children of key workers or who are not deemed vulnerable, will be completing work at home.

For those pupils remaining in school, there will be some change in the organisation of groups.

- All Year 6 pupils currently in school will join other pods of Year 6 children coming into school.
- All EYFS and Year 1 pods will change in terms of the pupils within them. They may also move pods until the end of term.
- All other pods will remain largely the same though other pupils may join should there be a space. They may also move pods until the end of term.

There is one area of change in that we have needed to alter some of the arrival and collection times to accommodate all groupings until the end of term so please see the relevant information below.

Your child is in Group:

All safety measures will remain the same in school and all pods will have been thoroughly cleaned ahead of this week. Whilst the distancing measures will be different from 4 July 2020, I have determined that it is important that we do not become complacent and therefore the social distancing measures will remain at 2m in school as much as is possible.

Thank you to you all for your ongoing support.

Kind regards

Miss Dicker
Headteacher
