Current Capacity

St. Gilbert's CE Primary is currently open to EYFS, Y1, Key Worker and Vulnerable pupils. Due to the government measures in place, the size of the school and staffing capacity, we are currently unable to offer places for our Year 6 pupils who are not deemed vulnerable or pupils of key workers.

At the present time we have the following capacity left:

EYFS – no places

Y1 – 2 places

Key Worker and Vulnerable pupils – 3 places – please be aware that due to the size of classes, your child may not be placed with their year group.

In every force. In every school. For every child.
