14th September 2020

Dear Parents and Carers

Further to my Parentmail earlier, and following the organisation of the staggered start and end of school day with the whole school present today, I have made the decision to slightly amend the timings for EYFS to ensure a smoother and safer drop off and collection. The following timings will take **effect from tomorrow, Tuesday 15th September** and I hope that this will help to relieve some of the congestion around the site.

Year Group	Drop off	Collection
EYFS	8:45am	3:15pm

Please wait **on the field**, keeping the exit path clear and ensure you socially distance whilst you wait.

The current, and our preferred procedure, is that only one parent or adult who lives in your household may bring their child to school and collect them at the beginning and end of the day.

Similarly, if you live by yourself with a dependent child or children, the **one** other household whom you have formed a 'Support Bubble' with, will be able to collect and deliver your child to school each day.

I do hope this supports you all further and will help us keep you safe. Thank you to you all for your understanding.

Kind regards

Miss Dicker
Headteacher
