

Our Vision

To inspire a love of learning

St Gilbert's Church of England Primary School

Foundry Road Stamford Lincolnshire PE9 2PP

Dear Parents/Carers,

As your child has now begun to settle back into school life, we would like to share the procedures regarding reading books and homework.

This week your child will come home with their reading book/record. Please hear your child read on a daily basis and make a dated record of what has been read.

As previously, reading books come home on a Monday and should be returned to school on a Friday, ready for changing. This will ensure that we have allowed time for the books to be quarantined, before they are re-allocated.

Over the weekend, please make use of local libraries and eBooks on line, to support your child's learning.

Websites, such as <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/#> provide a rich source of eBooks for your child to access, up to the age of 11. As a parent/carer, you will need to register, but registration is free.

- Maths

Maths homework will continue to be set on Seesaw.

For homework, the children will focus on areas that they have studied within Maths lessons. The homework set will support and consolidate this learning. All children will complete the main task set and some children should go on to solve the challenge.

In addition to the set weekly homework, the children need to be consolidating their knowledge of times tables. Please concentrate on the following the 2, 5 and 10 times tables.

- Spelling

The children will be set a list of new words to learn, for the week. The children should use their spelling strategies to learn their spellings. Some of the spellings will be focussing on the pattern/rule or sounds the children are working on in class that week, whilst the other spellings will be from the end of year spelling lists.

It is important to keep referring back to the spellings previously worked on, to ensure that they are retained. The children do need a mixed approach when learning spellings and should use different strategies, which will be sent home.

Children will bring home a book with their spellings in and they should use this to practise their words.

All homework will be set on a **Monday** and the children should send it back by **Friday**. Maths needs to be sent in via Seesaw, whilst spellings need to be completed in homework books and returned to school for **Friday**. This will allow for a quarantine period.

Thank you for your support with your child's learning.

Miss Rudkin

Key Stage 1 and EYFS Leader

In every force. In every school. For every child.
