Dear Parents and Carers

Further to my recent letters, I am writing to you with the organisation for next week. My apologies for the delay in communicating this information to you, however I only received the detailed guidance for schools last night.

Timings for the arrival and collection times are as follows and take effect from Monday 11th January 2020.

| Year Group | Arrival Time | Collection Time |
|---------------|--------------|-----------------|
| EYFS | 8:30 | 3:00 |
| Years 1 and 2 | 8:35 | 3:05 |
| Years 3 and 4 | 8:30 | 3:00 |
| Years 5 and 6 | 8:35 | 3:05 |

Please can I remind all parents whose children are in school that it is very important that you arrive on time to limit contact with other pods and bubbles.

Following receipt of the guidance, whilst only one parent needs to be a critical worker in order for their child to come to school at this time, I must reiterate that, as per the guidance, ***'Parents and carers who are critical workers should keep their children at home if they can'***.

All children who are in school, will need to wear school uniform and children must limit what they bring to school. They will not need any resources – coat, packed lunch, water bottle and an additional jumper due to the ventilation in school will be all that your child needs.

Finally, a reminder to parents who have historically requested paper copies, due to not having technology at home. Unfortunately, if these are not collected by 3pm today we will assume that paper copies are not now required and your child will be completing their work on Seesaw.

My best wishes to you all. Stay safe and well.

Kind regards

Miss F Dicker
