To inspire a love of learning

## St Gilbert's Church of England Primary School

Foundry Road Stamford Lincolnshire PE9 2PP

5<sup>th</sup> November 2020

Dear Parents and carers

As you will be aware we have entered the lockdown period today which we are advised will end in four weeks.

I received the guidance for schools at the end of the school day yesterday and am writing to you all to keep you updated with changes which need to be implemented by Monday 9<sup>th</sup> November at the very latest.

Much of the guidance remains the same. Our risk assessment also remains appropriate, however there are one or two points which I would like to bring your attention to.

Firstly, in line with the guidance, there will generally be no visitors in school. This means there will be no parental meetings taking place on school site and all meetings with parents will be held remotely. I know this provides some challenges, however I know you will all understand that this is to keep us all safe. One of the exceptions to this will be in regards to external agency provision for pupils with Special Educational Needs or Disabilities or if other external agencies need to deliver support for a pupil. The vast majority of agencies are already working remotely but should onsite support be required we will accommodate this within the safety measures we have in place.

Secondly, I would be grateful if you would contact me via the school office, should your child be considered **Clinically Extremely Vulnerable** and you have received a letter from their GP, the NHS or specialist, advising you that they should remain at home during this period. Whilst short notice, I would ask that you contact me by the end of the school day, so we can discuss arrangements for your child over the lockdown period and we have time ahead of Monday 9<sup>th</sup> to put these arrangements into place.

I will keep you all up to date as to any further information is receive. Thank you all for your continued vigilance and support.

Stay safe and well.

Kind regards

Miss F Dicker  
Headteacher

In every force. In every school. For every child.
