09/07/2019	Stamford Welland Academy- Y6 Transition Days
12/07/2019	Musical Showcase - 9.00am

#### Attendance

##### EVERY SCHOOL DAY COUNTS!

Each week we announce the attendance percentages for each class, recognising improvement and the class who has achieved the best attendance!

*Congratulations to Donaldson Class  
who had 99.29% attendance last week. This is the  
second week in a row.  
FANTASTIC!*

#### Foundation Stage

This week the children have been carrying on with their topic of The Seaside. We have read the story "Mister Seahorse" by Eric Carle and the children have enjoyed painting their own seahorses in lots of colours. The children have used different tools to produce textures and patterns on their seahorses.

In RE this week, the children have been thinking about "God's Wonderful World". We have been outside and found a peaceful shady spot under the trees in our outdoor classroom. They have reflected on all the things God has made as they looked at the trees and listened to the birds. Another thing the children have been amazed with this week is our courgettes! They have done brilliantly well and have begun to produce a crop! The children have been helping with re-potting and watering the plants in the hot weather this week. The children are hoping to win The Farm Kitchen's competition!

## Key Stage 1

Year 1 and 2 have had another busy week. Sports Day was a fantastic success again this year and we are really proud of all the children.

They all displayed great sportsmanship and enjoyed participating in all the events.

In Maths this week, Year 1 and 2 have been multiplying by using repeated addition. The children have been using a variety of resources to help them in the classroom and have even independently asked for other resources to support their understanding.

In Literacy, the children have been writing poetry about the changing seasons. The children gathered a huge variety of adjectives and verbs by mindfully walking in the school grounds and looking for inspiration.

## Key Stage 2

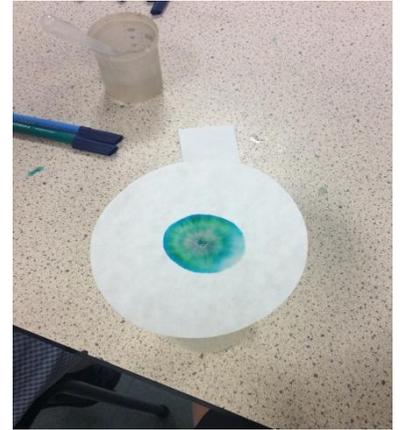

On Friday last week, the Year 3 and 4 children went on a **very exciting trip** to the Peterborough Showground. They had a **wonderful day** at the event and **learnt a vast amount** about the farming industry, animals, the countryside and the fabulous food we produce here in the UK. The event was run by Kid's Country UK and had all manner of exciting, **hands on** exhibits that the children could get involved in. They enjoyed running through the huge willow maze, looking for the queen bee in a hive, making sausages, burgers, pies and bread (which should hopefully have made it home for you to taste too!), watching displays from the working dogs, scurry driving team, and the fantastic dancing sheep show! The children enjoyed a picnic lunch, ice cream and tractor rides and it was **lovely to let them explore and enjoy the activities** in such a safe, purpose built, engaging way. Most of the children's favourite activity was interacting with the hound dogs and puppies from the Fitzwilliam Hunt Kennels. The dogs were so friendly and docile and it was lovely to see the children who were a little hesitant at first, get involved and have a little stroke!

## Key Stage 2

On Monday, Year 5 attended a STEM day at Casterton College Rutland. The children enjoyed taking part in a variety of activities including chromatography, building structures, launching rockets and a planetarium show. The children were great ambassadors for our school; they displayed lovely manners, fantastic attitudes to learning and worked brilliantly in their teams. Well done Year 5!

Year 6 have continued working hard with their end of year performance. They have been perfecting their lines, practising the songs and making props! It is proving to be an amazing show and they can't wait to perform it to you all.

## PTA

### Summer Festival

This year we have increased the fun factor and have a circus skills workshop which has been kindly part sponsored by Nest Estate Agents.

Don't miss the Circus Act Show at 2pm!! We have the amazing Bella Tricks performing her multi hula hoop act followed by giant bubbles and a WOW finale!

Remember to return your raffle ticket money and stubs . We have some unbelievable raffle prizes again this year.

Any cake donations, either home made or bought, will be gratefully received and can be dropped off during the morning tomorrow.

Thank you for your support and we look forward to seeing you there.
