

### Message from Miss Dicker:

It has another exceptionally busy week!

Our Year 1 children completed their Phonics Screening Check -well done to them all! We are so proud of them!

Our Year 4 children took part in Churches Together organised by our very own Mrs Camp. We have had so many positive comments about their behaviour and attitude! It really was an amazing day!

Tomorrow brings the Scootathon - can I say a big thank you to all our parents and members of the local community who have come together to organise this fantastic annual event. The children of Stamford love it! Look forward to seeing you all tomorrow.

### LEARNING NEWS ACROSS THE SCHOOL

#### EYFS

The children in EYFS have had another busy and exciting week! Their topic this term is the Seaside and they have been busy designing their own patterns for a lighthouse. The children painted their designs and have begun to turn them into lighthouse models. Next week they are going to see if they can add a working light! The children have also had a taste of life in year 1 on our first transition morning. They all did so well and can't wait to be Year 1s!

#### Year 1/2

Year 1 and 2 have had a fabulous time in Art this week. They have been exploring colour mixing and have made some really interesting discoveries! In Geography they drew a plan of the school grounds and used a key to show all of the different areas. They then looked at compasses and made their own with 8 compass points.

Year 2 have enjoyed their exciting visits to Year 3/4 this week, and EYFS have adored story time in Year 1.

### Year 3/4

This week year 4 took part in the Churches Together Festival. They enjoyed taking part in lots of crafty workshops in churches all around Stamford, based on the theme of 'The Miracle of Life' and they sang songs with lots of other schools from the area at the Corn Exchange. Thankfully, the sun shone and the children were able to enjoy a picnic on the Recreation Ground at lunchtime. Special thanks to Mrs Camp for organising such a fantastic day!

### Year 5/6

This week in Y5 and 6, they have been complaining to Apple about some 'dodgy iPads'. This led to some fantastic letters of complaint with some very formal language! Y5 have also enjoyed learning a Dance to 'This old house'. Their routines were amazing, especially considering practice time was limited.
