

Our Vision

To inspire a love of learning

St Gilbert's Church of England Primary School

Foundry Road Stamford Lincolnshire PE9 2PP

21st September 2021

Dear parents,

Following our Ofsted inspection in July, I am pleased to share the inspection report with you and to confirm we continue to be rated a Good school.

Given an incredibly challenging year for the school – for staff and pupils alike – we are very proud of the way our whole school family conducted themselves throughout the inspection process.

I am particularly pleased that the report really reflects the ethos of our school. As it says in its opening lines – “Pupils are well cared for in this friendly, welcoming school. Leaders and staff share a vision to inspire pupils with a love of learning”.

Overall, the report is a very positive one, with only one recommended area of improvement.

In this, as in all areas, the governing body will continue to work with and support our Senior Leaders to ensure that we continue to do all we can to enhance the provision of education for all our pupils.

Thank you to all parents who completed the Parent View survey which forms a key part of the inspection process.

Finally, I would like to thank all the staff and Senior Leaders for all their hard work during the inspection process - they did a fantastic job in reflecting the true strengths and values of our school and should be very proud of themselves.

Yours sincerely

Jo Evans

Chair of Governors

In every force. In every school. For every child.
