Dear Parents and Carers

### Welcome to St. Gilbert's Church of England Primary School- September Intake 2021

We would like to wish you a very warm welcome to our school and I am delighted to formally acknowledge a place at our school for your child following the central admission process managed by Lincolnshire County Council Admissions.

We are looking forward to meeting you and your child as they begin their exciting journey through school, and to working in partnership with you to build a happy, secure future for them. The staff and Board of Trustees believe that starting school is a very important milestone in the life of a child. We want, as I am sure you do, for this to be a happy and positive experience for you and your child.

We understand that you will have many questions and there is a great deal of information to take in when your child first starts school. Over the coming weeks we will be formalising our plans for induction and will be contacting you in due course to provide you with all the information you require to ensure a smooth and successful start to school life for your child. Our aim is to provide as full a transition programme as possible whilst adhering to the national guidelines, and we will be in touch in the coming weeks to confirm ways in which, during this unusual time, we will manage this process.

In the meantime, we would like to invite you to visit our virtual school tour on our website to give you an insight into school life, here at St. Gilbert's.
