### RE: OFSTED REPORT

Dear Parents and Carers

I am delighted to share with you our Ofsted Inspection Report following our formal inspection at the end of our last academic year.

We have so much to celebrate and are thrilled that the report accurately captures the driving ethos of St. Gilbert's and the dedication of staff to ensure that pupils receive a 'good quality education'.. where 'learning is purposeful and engaging'.

The recognition of our effective pastoral care, pupils' good behaviour, the wealth of wider opportunities provided for all pupils which contribute to their confidence and independence, and the high expectations they experience in daily school life is an excellent reflection of St. Gilbert's.

We have already begun attending to our single area for improvement and look forward to working with you as we journey forwards.

My thanks to our trustees for their invaluable contributions during the inspection process as well as their continued challenge and support in the strategic development of our school. Our Chair of Trustees, Mrs Evans, has also written to you all and our Diocesan Director of Education has asked for me to share his thoughts on our recent Ofsted Report .

*'I would like to congratulate Miss Dicker, her staff, governors and pupils on this good Ofsted report. As a church school, it is very pleasing to read that inspectors have recognised that the school has an engaging curriculum, a strong Christian ethos and pastoral care at the heart of the school's work. Well done everyone. A much deserved report!'*

*Mr Paul Thompson Diocesan Director of Education.*

My thanks to you all for your continued support and your very positive contributions during the inspection process.

Kind regards

Miss F Dicker
