

## Maths

For times tables use [www.topmarks.co.uk/](http://www.topmarks.co.uk/) Hit The Button to practise 2s, 5s and 10s for Year 1 and 2s, 3s, 5s and 10s for Year 2 children.

Online Maths – [www.sumdog.com](http://www.sumdog.com) is offering free subscription to parents. This site also offers spelling games.

Make multiplication posters showing how the multiplication strategies link (**Commutative – 3 x 5 or 5 x 3 the answer is still 15, Equal groups, Repeated addition, Arrays - 3 x 5 means 3 rows of 5 objects**). As in the picture, this can be fun! Use stickers, stampers, sweets, shells, stones and take a photo. What different calculations can you show?

## YEAR 1/2 HOME LEARNING

From 20<sup>th</sup> April – 1<sup>st</sup> May

Here are some suggested activities for you to complete over the next two weeks. As you may be accessing the internet more often than usual at this time, we would like you to visit the E-Safety page of the school website <http://www.stgilberts.co.uk/E-Safety.asp>. There is lots of information there to help you to stay safe online. There is also an E-Safety activity for each year group in the Extra Resources section on this page. Please spend some time on this activity with your parent or carer.

If you are able to share some of your work with us, we would love to see it. Parents or carers should email it to [homelearning@stgilberts.co.uk](mailto:homelearning@stgilberts.co.uk).

Year 1/2 Teachers and TAs

Maths & Art – 2D shapes. How many triangles, squares, rectangles, pentagons, hexagons can you create/see/count? Shapes could be coloured with chalk or filled in with natural objects.

## Writing

In the book 'Katie's Picture Show' (please use this link for the story [https://www.youtube.com/watch?v=SjZQ2OuaP\\_s](https://www.youtube.com/watch?v=SjZQ2OuaP_s)) Katie goes to a gallery with her grandma. Whilst Grandma is asleep, Katie creeps away and jumps inside some of the pictures! In one picture, Katie meets an important French lady. She joins the lady for a cup of tea but spills it all over the lady's dress!

Write your own story about what problems Katie could cause inside this painting below. Does she get into trouble by accident or on purpose? Does she solve the problem or just jump out of the picture?

A Sunday Afternoon on the Island of La Grande Jatte [Jatte Georges Seurat](http://www.seurat.com)

<p><b>Reading</b></p> <p>Encourage your child to keep reading little and often at home; reading many different types of text if possible.</p> <p><b>Ebooks</b> - there are a selection of ebooks available online that are free to access on:  <a href="https://www.oxfordowl.co.uk/please-log-in">https://www.oxfordowl.co.uk/please-log-in</a>. You will need to register but no subscription is needed. The books link in really well with our home / school reading scheme so should complement the books your child already takes home. There are also other resources on there that can be downloaded, if you have the facilities to do that at home.</p> <p>You can also listen to daily audio stories by David Walliams here at:  <a href="https://www.worldofdavidwalliams.com/elevenses/">https://www.worldofdavidwalliams.com/elevenses/</a></p>	<p><b>Phonics and Spelling Punctuation and Grammar (SPAG)</b></p> <p>Phonics play and Phonics Bloom are great free websites for fun games to play to help your child recognise and read sounds in real and nonsense words.  <a href="https://www.phonicsplay.co.uk/">https://www.phonicsplay.co.uk/</a>  <a href="https://www.phonicsbloom.com/">https://www.phonicsbloom.com/</a></p> <p>To help support our ongoing work around spelling you can download a fun common exception word wordsearch here  <a href="https://www.twinkl.co.uk/resource/t-l-526927-year-2-common-exception-words-word-search-activity-pack">https://www.twinkl.co.uk/resource/t-l-526927-year-2-common-exception-words-word-search-activity-pack</a> for Year 2 and here for Year 1 <a href="https://www.twinkl.co.uk/resource/t-l-526941-year-1-common-exception-words-word-search-activity-pack">https://www.twinkl.co.uk/resource/t-l-526941-year-1-common-exception-words-word-search-activity-pack</a>. Why not then take some of the words and make a common exception word treasure hunt around your house or garden.</p>	<p><b>Science</b></p> <p>Everything is growing! Go outside daily – in the garden or on a walk and take note of the different plants and animals you see.  How are they changing day to day? Where did you find them? What was the weather like on that day?</p> <p>You could keep a nature diary where you can draw and write about what you see.</p> <p>Perhaps you have a nest in your garden you could observe, if not you could go to <a href="http://www.lrwt.org.uk">www.lrwt.org.uk</a> (Ospreys) – log in to the live nest cam and see the chicks hatch and grow on there.</p>
<p><b>Art and Design Technology</b></p> <p>Egg Art fun!</p> <p>If you're looking for a fun messy arty activity try filling empty egg shells with poster paint and throwing them at a canvas, cardboard or piece of fabric. Definitely one for the garden!</p> <p>If you prefer something a little less messy, you could try making hand/foot print Easter pictures. You could draw around your hands or feet or use paint to print.</p>  	<p><b>R.E.</b></p> <p>The Easter Story – read from children’s Bible if you have one at home. If not, follow this link  <a href="https://biblehub.com/childrens/">https://biblehub.com/childrens/</a></p> <p>Learn and re-tell the story. You could make peg dollies, lolly stick characters or finger puppets to retell the story.</p> <p>Feeling creative? You could create your own artwork based on The Last Supper.</p> <p>What do you know about Ascension Day? (Thursday 21<sup>st</sup> May 2020).</p>	<p><b>PE</b></p> <p><b>Super Movers</b> is a great resource to get you moving as well as learning, for example, practising times tables or learning your spelling and punctuation rules:  <a href="http://www.bbc.co.uk/teach/supermovers">www.bbc.co.uk/teach/supermovers</a></p> <p>Also <b>Joe Wicks Workouts</b>  <a href="https://www.youtube.com/watch?v=d3LPrh10v-w">www.youtube.com/watch?v=d3LPrh10v-w</a></p> <p><b>Get Set 4 PE</b> will be tweeting an active task, for the whole family to complete, for each day that schools are closed. You will not need to be a Get Set 4 PE member and it will be completely free. Have a look at their twitter @GetSet4PE to view the daily task.</p>

<p><b>Geography</b> Our focus is the country of Mexico.</p> <p>Find out about some of the festivals they celebrate in Mexico and think about how you could present these facts to others.</p> <p>Festivals Around the World – Mexico ‘Dia De Los Muertos’ <a href="http://www.twinkl.co.uk/offer">www.twinkl.co.uk/offer</a></p>	<p><b>Computing</b> Programming/Coding – download the Bee-Bot app. This also links to position and direction in Maths (vocabulary – left, right, up, down, forwards, backwards, turn, full turn, half turn, quarter turn, left turn, right turn).</p> <p>Or do this without a computer! Set up a course indoors or outside, write a set of instructions using the language above for someone to follow. <u>Oracy</u> – Can you give the instructions to someone who is blindfolded to get them through the course?</p>
